

SENT TO: Perth metropolitan clubs, Peel associations and clubs

Thank you to our clubs and associations for doing the right thing and abiding by restrictions across the weekend, it is fantastic to have football back across the Perth and Peel regions.

Until 12.01am Tuesday 6 July, the following restrictions are still in place:

- No spectators permitted at any football activities, including matches, training, programs etc
- No indoor community sport can take place
- Face masks must be worn both indoors and outdoors

From 12.01am Tuesday 6 July to 12.01am Monday 12 July, there will be an easing of restrictions, which means:

- Spectators are permitted at matches, training, programs etc. in line with the 150 person limit and two square metre rule.
- Masks will remain mandatory for indoor public venues, with exemptions for primary school aged children.
- Masks will no longer be required in outdoor public spaces where physical distancing is possible or when undertaking vigorous exercise indoors or outdoors.
- Anyone who has been in the Perth or Peel regions since Sunday 27 June but has since travelled to another region must continue to wear a mask subject to the conditions which apply in Perth and Peel.

For all fixtures postponed on the weekend, Football West encourages clubs to be proactive in rearranging fixtures with opposition clubs. This is important to ensure we complete a full season in 2021.

For NPL and State League, confirmation of these rearranged fixtures is required by 5.00pm Tuesday 6 July via the clubsupport@footballwest.com.au email, with the rearranged fixtures to be played by Sunday 18 July (with no rearranged fixtures from 12.00pm – 9.00pm Saturday 17 July).

For all other fixtures, confirmation is required by 5.00pm Friday 9 July via the clubsupport@footballwest.com.au email.

Football West is contactable via email, clubsupport@footballwest.com.au, and direct phone (between the hours of 7.00am and 7.00pm) on 6181 0700.

Football West's COVID19 landing page, <https://www.footballwest.com.au/COVID>, will continue to be updated.
